

## Sedo メンバーアカウントの有効化と認証プロセスについて

Sedoのアカウント作成申し込み終了後に以下の画面が表示されます。

お申し込み後

1. アカウントの有効化（申し込みの際に登録したアドレスに次のメールが届きます。）
2. アカウントの認証 の二つの作業を行ってください。

The screenshot shows the Sedo website with a blue header bar. The top right of the header has links for 'US | Deutsch | español | français' and 'Customer Support'. Below the header is a navigation menu with tabs: 'Home', 'Park Domains', 'Buy Domains', 'Sell Domains', 'Services', 'About us', and 'My Sedo'. The main content area has a title 'Activate and Certify your account!' and a sub-section 'Thank you for your interest in our services.' It contains two numbered sections: '1. Account Activation' and '2. Account Certification'. 'Section 1' explains that account activation is required to access member services. 'Section 2' notes that domain sales/buying/parking require member certification, which is automatically applied after activation.

Member Certification

**Member Certification**

Certify your account today and gain access to Sedo's range of buying, parking and selling services.

Your Current Certification Status:

**! Please Certify !**

In the continued effort to maintain a successful and secure marketplace and parking service, we ask that members certify their account before accessing some of Sedo's services. This improved protection benefits all Sedo members by shortening our domain transaction process and enabling us to offer highly competitive parking payouts.

**Methods to certify your Account**

Please choose one of the following methods:

**Credit Card:**  
This is the fastest method. Just fill out your credit card information and agree to the Member Certification statement. Within a few moments you will be confirmed and ready to monetize your domains and participate in the domain marketplace. Please note: To confirm your details, Sedo will authorize your card for five Euros (approximately seven USD, this number varies based on the exchange rate) and then immediately cancel the authorization. There will be no charge to your credit card and all information is kept private and secure.

[Certify now](#)

**Signed Member Certification Statement:**  
This method can take approximately two to five business days. We will send a PDF Member Certification Statement to the email address in your account. Please review the form and sign the statement. Once completed you may fax or mail us the form to certify your account.

[Certify now](#)

**SMS:**  
To quickly certify your account, enter your mobile number on the following page. We will then send you a certification code via SMS. Once receiving the SMS enter the code in the appropriate field and agree to our Member Certification Statement. SMS's will be sent almost immediately, enabling you to certify your account within moments.
