

## Press release

<Title>

# Music supply agreement with TENCENT TECHNOLOGY (SHENZHEN)

<text>

WG Publishing, Inc. said that they have made music provision agreement with TENCENT TECHNOLOGY (SHENZHEN) – the largest Chinese IT company on 13th of May.

WG Publishing Inc. is now introducing and spreading indie music through Groove Catch for iPhone game application, and by this agreement they can also introduce their music to Chinese users with music game services of TECHNOLOGY (SHENZHEN).

Those contents are the most popular PC online music game in China 「QQ Band Music」 and smart phone game application 「Rhythm Master」 to introduce Japanese and the other countries game music for the first time.
