Sea Asia 2017

<http://www.sea-asia.com/>

Period: from 25th to 27th April 2017 Venue: Sands Expo and Convention Centre, Singapore

Japan Pavilion

1. Booth size: 168 m² (B2-S01, B2-T01) 2. Exhibiter: 30 parties

VOLCANO has supplied many products for Shipping industry and Shipbuilding industry since established in 1928. VOLCANO's products are well known as Main-boiler-burner for LNG carrier, Auxiliary-boiler-burner, composite-boiler-burner, IMO certified incinerator and Waste-oil/Bilge concentrator.

In 2016, VOLCANO launched new products for LNG fueled vessel, Ga/Oil combination burner and BOG combustion unit and could get high evaluation from the customers.

VOLCANO is supporting Safe and Efficient Marine transport by their own combustion technology. Ms.Shino lida, a person in charge of exhibitions, VOLCANO explained, "We have three after-sales-service agents in Singapore for supporting the respected customers. In the period of Sea Asia 2017, I'd like to build relationship with customers who have their base around Singapore, Indonesia, Malaysia and so on."

She and VOLCANO are welcoming the respective visitors at "Japan Pavilion" "B2-S01 & B2-T01", "Sea Asia 2017".
